A **comprehensive [menu](#) of Ajo Al's** from Glendale covering all **23** menus and drinks can be found here on the card. A family gathering at this Mexican restaurant proved to be a delightful evening with delicious food and a beautiful atmosphere. The Pollo Fundido and Del Mar Tacos were highlights of the meal, although some dishes were not to everyone's taste. The beef tamales and bean dip were highly recommended, as were the flavorful chips and salsas. With attentive service and generous portions, this restaurant offers a great place for date nights or casual dining. Despite a minor hiccup with ordering, the manager's offer of an extra margarita showed great customer service. Overall, a wonderful spot for authentic Mexican cuisine and a relaxing break from the day.
