Look forward to the diverse, tasty [Mexican](#) cuisine, traditionally prepared with corn, beans and chilies (hot peppers), The barbecued food is freshly **grilled** here on an open flame. Surely, it's also a nice experience to feel like in the *Wild West* once, to drink and consume like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice juicy burger, Typically, the dishes are prepared for you in a short time and fresh.
