A [comprehensive menu](#) of Golden OX from Bakersfield covering all 306 courses and drinks can be found here on the menu. For **changing offers**, please get in touch via phone or use the contact details provided on the website. What [Mary Bohorquez-Edwards](#) likes about Golden OX:

Since the first time our family went to dine here we have always had great service. Staff is always friendly, food is great. My kids love to have their Birthday celebration dinner there and their Coconut pies are absolutely delicious. [read more](#). Get excited about the **diverse, scrumptious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), You'll find nice South American menus also on the menu. In addition, there are fine American dishes, such as burgers and grilled meat.
