What [User](#) likes about Bengal Tiger:

Taking the stairs to come up threw me at first but then made me wonder how good it must be to be in such an area. Worth the climb! Spiced just right! Food comes out and the servers are quick and nice. The price is better than downtown too. [read more](#).

What [S](#) doesn't like about Bengal Tiger:
The food was okay, not special. The restaurant is really small. The menu is limited. We ordered chicken tikka malasa (decent), the lamb vindaloo (too spicy), and paneer tikka (not recommended). The somosa and the tandoori chicken tikka was good though. Look at the pictures attached. Would i recommend? Probably not Also if you need parking, there a paid parking garage across the system [read more](#). At Bengal Tiger in New York, original [Indian spices fine meals](#) with sides like rice or naan are freshly prepared, Furthermore, the *sugar-sweet treats* of this local sparkle not only on children's plates and in children's eyes.
