What [User](#) doesn't like about *Feast*:

all the waitress and waitress were overwhelmed. cocktails were too sweet, snuggles too spicy, the flower charcoal too salty. the table was tacky and dirty. it was not a good experience. The fresh and fine **juices** on the drinks menu perfectly complement the menus of the restaurant, Also, the guests of the establishment love the extensive selection of various **coffee and tea specialities** that the restaurant has to offer. Even South American fresh [seafood](#), meat, as well as corn and potatoes are grilled here, here they serve a comprehensive brunch in the morning.
