What [User](#) likes about Choice Health Bar: One of our favorite reasons to come to Maui is to eat at Choice! We've been vegan for 10 years and Choice is one of our top 3 favorite vegan places we've ever eaten at. It's so great to have fresh, real, filling and delicious food to eat on vacation. Everyone is so nice. We have eaten there at least 12-15 times and never had a bad experience. Can't say enough good things!! Updated from previous review on 2020-02-09 [read more](#). The restaurant also offers the possibility to sit outside and have something in beautiful weather, And into the accessible rooms also come visitors with wheelchairs or physiological disabilities. During meals, a refreshing drink is essential. In this [gastropub](#), you will find not only delectable cuisine, but also a large and comprehensive selection of good beers and other alcoholic drinks that compliment the food, and you can enjoy here fine American meals like **Burger or Barbecue**. You have the option to, after the meal (or during it), also relax at the bar with an **alcoholic or non-alcoholic drink**, Besides, the inventive blend of different dishes with new and partially adventurous products is appreciated by the customers - a beautiful case of Asian Fusion.
