The vegan lunch buffet is amazing. Nothing like delicious vegan nutritional-yeast mac and cheese to give you a warm and fuzzy feeling on a long trip. Other amazingness includes: rice and indian things like chana masala or saag, crispy chick pea fritters, spiced and baked potato wedges, alfredo-like veg pasta... all to pile on your buffet plate and then go back for seconds ! Love this place. [read more](#). What [User](#) doesn't like about Flowers: went for the vegan mac that others have mentioned that they do not know what I was talking about, they need to get rid of the vegan options years ago. they have a falafel sandwich and a veggie sandwich that can be made vegan, but I didn't try it.
