The restaurant from Tulsa offers 88 different **menus and drinks on [the menu](#)** at an average \$9.1. What [Quinn Maggio](#) likes about Himalayas - Aroma of India:

Fantastic! I think my mouth just EXLODED from all of the unique flavors and textures I just experienced! I came in at lunch and went straight for the buffet, and it did not disappoint. All the food was hot, fresh, and most of all, seasoned perfectly. What a mix! And don't be afraid to try the desserts...the mango desert was so intense and the white (coconut milk, maybe?) was equally delicious. [read more](#). What [Marian McDermott](#) doesn't like about

Himalayas - Aroma of India:

Ick. Was not impressed, i grew up in a very rich cultured family and my uncle who is from the middle east just laughed at the food he was served. it was cold. just swimming in sauce and my vegetarian dish had meat in it. not going here again, and the service was ok not fantastic like i would have hoped for. you can tell their bias views on women when i tried to order. [read more](#). If you crave for sweets, Himalayas - Aroma of India with its fine desserts can surely make an end of it, Dishes are also prepared here, deliciously and freshly with typical **Indian spices**. You can also look forward to scrumptious vegetarian cuisine.
