Anticipate the varied, tasty [Mexican](#) cuisine, which is usually prepared with corn, beans and chilies (hot peppers), Moreover, the delicious desserts of the house shine not only in the eyes of our little guests. You have the option to, after the meal (or during it), still relax at the bar with an **alcoholic or non-alcoholic drink**, Moreover, the menu of this *gastropub* offers a good and especially extensive selection of beers from the region and the world that are definitely worth a try.
