What [Jennifer C](#) likes about Los Generales:

The food is always fantastic and the service is warm and welcoming. The restaurant is proud of the quality of the meat they use and it is obvious that the meat is of a better quality than you sometimes get from other restaurants. [read more](#). When the weather is nice you can also eat and drink outside. What [Bryan Reyna](#) doesn't

like about Los Generales:

Well if you look at the picture beware . I ordered the Santa Ana and the plate comes with 2 enchiladas 1 puffy taco and 1 crispy taco . When i got my plate I immediately notified my waiter that i only got one enchilada he so no they just look like that and got a fork and split the enchiladas. Said they started making them smaller . Now this place is one of the more expensive restaurants for Mexican cuisine so u would... [read more](#). For breakfast, you can enjoy a **rich brunch** at Los Generales, freely at your own will, Many customers are also especially looking forward to the diverse, delectable Mexican cuisine. The savory Spanish menus from the kitchen of the house are also worth it, The visitors of the establishment also consider the comprehensive selection of various **coffee and tea specialities** that the establishment offers.
