We had a lovely time. Our waitress was the nicest and most patient person ever. It took a bit long for our orders to come to us but it was a nice outdoor dining experience given the circumstances with Overall, wonderful experience and would recommend to others [read more](#). The restaurant also offers the possibility to sit outside and eat in pleasant weather. What [User](#) doesn't like about The Brass Rail Hoboken NJ:

I am sure that being a holiday, the staff was being overworked. Our waitress was inattentive at best. The food was so-so and the noise level was extremely lively. The main level seemed like it was a friendly pub atmosphere. I would recommend it as a pub, not as a restaurant for a holiday or special occasion [read more](#). Just eating and drinking is too simple for you? Then a visit to this sports bar is just right: in addition to small snacks and menus you can watch the latest football matches, tennis or Formula 1, There are also scrumptious South American cuisine on the menu. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, Especially the fine **juices** are highly appreciated by the guests.
