Come to this **sports bar** and enjoy a variety of small snacks and menus while watching live football, tennis or Formula 1 games, because just eating and drinking is too boring!, The barbecued food is freshly grilled here on an open flame. After the meal (or during it), you can still relax at the bar with a **alcoholic or non-alcoholic drink**, In addition, the cocktail menu that is offered in this established eatery is impressive. It offers a wide selection of beers from the region and the whole world.
