we've been driving for many years, but never stopped. watch online for menu and times. the food was excellent. if they like good eating, ambiente and professional service, then this is their place. the prices are similar to other fine restaurants. we will sit again for the summer on the deck and enjoy muskegon lake. doesn't like about Se4sons Gastropub:

they had sold out the scallops on Saturday night. that had disappointed me. our server added 2 additional coconut warp to my order to make it better. the perch plate was a little disappointing as most of the plate were fried and the perch pieces were quite small. overall the eating was delicious and our server was fantastic.
