we had a nice afternoon. it was a cool day, so a fire in the fireplace would have been nice. the tee was nice, but the scorpuses were a bit dry. there was a nice selection of teesandwiches and the truffles were delicious. we also love the hodge podge from China pieces. we will return for other seasonal tees. What [User](#) doesn't like about [OLD LYME](#) Inn:

The setting is great--absolutely charming. The service is fine, but the food is mediocre. My glass of prosecco was flat. The garden salad was drenched in some kind of sickly sweet dressing. The pistachio-crust cod was dried out. The best thing of the prix fixe was the desserts: the pumpkin cheesecake and the creme brulee were great. Pricey considering the quality. [read more](#). In the morning, you can enjoy a [rich brunch](#) at Old Lyme Inn, freely at your own will, The customers of the establishment also consider the extensive selection of differing coffee and tea specialities that the establishment offers. When you're not so ravenous, you can just treat yourself to one of the delicious sandwiches, a healthy salad or another snack, Furthermore, the *magical treats* of this restaurant sparkle not only on children's plates and in children's eyes.
