What [User](#) likes about Fratelli: Everything was great except the sitting arrangement. The place is smaller than looks in pics so make sure you specify your sitting requests not the table by the kitchen [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities. What [User](#) doesn't like about Fratelli: We are regular customers and we have always had a great experience but unfortunately this time the chicken parm was inedible and took 12 min to track someone down and let them know. The manger I found did offer a replacement but did not empathize or apologize. We will be back as this one of our favorite restaurants. We are coming in Tuesday August 30th to celebrate a birthday [read more](#). Want to spice up your eating and drinking routine? Come to this [sports bar](#) and enjoy a variety of large and small snacks and dishes while watching live football, tennis or Formula 1 games, because just eating and drinking is too boring!, The sugar-sweet desserts of the local also shine not only in the eyes of our little guests. Of course, the right drink to accompany a meal is a must; for this purpose, this *gastropub* offers you a large range of tasty, regional alcoholic beverages like beer or wine, It's possible to chill out at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks.
