One of the absolute best soul food restaurants in the St. Louis area! The decor is beautiful, the food is always hot, I love the variety and the price is reasonable. Looking forward to visiting again soon. [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological limitations, Depending on the weather conditions, you can also sit outside and eat. What [Roderick Grant](#) doesn't like about The Choice:

The food on the buffet was not the best. I got the all you can eat and they did not have anything out there to get. The food was cold the lady at the buffet line did not know what she was serving. The sweet tea was not sweet and the server was the worst I ever had. I will not be back. [read more](#). An additional service offered by the restaurant is the catering service for customers, You can take a break at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks. Dishes are usually prepared quickly for you and brought to the table, For breakfast a *delicious brunch* is offered here.
