In my top favourite date night locations to go in Calgary. My partner and I both eat an organic vegan diet and they have wonderful selection of vegan foods and use organic food as much as they can [read more](#). What [User](#) doesn't like about The Casbah:

our food was pretty good, but we were both sick after that. the portions were very small in comparison to other Moroccan places I had with a similar platform. the service was very slow and impersonal. the atmosphere was more beautiful than others, but that is where the comparison ends. outside of it, eating, service, quality, worth is better everywhere. I'm sorry, he was not here for me. [read more](#). At The Casbah in Calgary, tasty meat is freshly roasted on an open flame and garnished with delicious sides, Additionally, easy digestible *Mediterranean courses* are available. If you'd like something sweet for dessert, The Casbah does not disappoint with its large **selection of desserts**, Also, the customers of the establishment love the extensive variety of differing coffee and tea specialities that the establishment has to offer.
