There is no point in getting a reservation. While the food is always good and the service is as well there's still a long wait. I put my reservation in hours in advance and still had to wait half an hour [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities. What [User](#) doesn't like about Famous Dave's:

I used open tables to reserve and was told that I was sitting next to that. they said we were sitting next to that and after 20 minutes I asked how much longer they said they were sorry for forgetting us.
