What [User](#) likes about Casa Catrina: we came here with a party of 10 to my grandmother's birthday and sat right away. our server was great. our kept chip baskets and drinks full. our food came out quickly and properly and the server knew where everything went, they even brought us teller for our cake and sang happy birthday. she was so happy great experience [read more](#).

What [User](#) doesn't like about Casa Catrina:

I can't say that eating was bad. simply bland and almost tasteless. tried like something they would order in a senior living house! salsa verde is great. the best on the menu! [read more](#). Look forward to the **diverse, fine [Mexican](#) cuisine**, traditionally prepared with corn, beans and chilies (hot peppers).
