What [User](#) doesn't like about Asian Taste:

\$10 for a bowl of cabbage and onions, they call this Chow Mein I called to ask why there were no noodles and was told that chow mein is not supposed to contain noodles, only vegetables. Inedible slop. Asian Taste The **accomplished Asian fusion cuisine** will thrill you, the exquisite mix of familiar flavors and exciting new creations will amaze!, on the menu there are also a lot of **Asian meals**. Many guests also especially enjoy the versatile, fine Chinese cuisine.
