What [Lils Andrea](#) likes about Rosarito's Deli and Grill inc: Food is yummy. Prices have gone up recently. Still fair pricing. Ran into an issue with an order for my coworkers and I. The order was double checked on the phone but when we received the order we had one different item. Called and spoke with someone who said "that's what you ordered". Then spoke with the person who took my order the first time and she said we must've gotten the wrong item by mistake that she would f... [read more](#).
