The restaurant from Fullerton offers **37** different dishes and drinks on the card at an average price of \$9.0. What [User](#) likes about Tacos el Jalapeno:

This place is amazing! The best [Mexican](#) restaurant I've ever visited. My daughter had the queen, beans and rice. She told me that the Quesadillas are brilliant, and the beans were ok, but if you eat it with rice, the beans will be some of the best beans you will taste. I had the Carnitas; the meat was well cooked, juicy and well seasoned. The balance through the plate was striking, with the taste of meat, the crunch... [read more](#). What

[Sharon D Kenny](#) doesn't like about Tacos el Jalapeno:

Ordered the birria tacos and it was horrible. I always wanted to come here to eat but decided to come today out of living here for 7-8years. Never again, very expensive and not worth your money at all. If I could get my \$27 back right now I would be glad. The food was plain and per dish for the amount of \$13 is too much for fraud pictures of the actual thing. The cheese over power the meat which like I said had no fla... [read more](#). If you're desiring some **hot South American gastronomy**, you're in the right place: tasty menus, made with fish, sea creatures, and meat, but also *corn, beans, and potatoes* are in the menu, and you have the opportunity to try fine American menus like [Burger or Barbecue](#). Even the versatile, delicious [Mexican](#) cuisine, traditionally cooked with corn, beans and chili, is very popular with the guests.
