What [User](#) likes about The Broaster House:

10 pieces boneless chicken family meal, was filled for 2 persons. Many remains for another day. Chicken fingers are more like it, but expects them to be crispy and less oily. Potatoes, are immediate, but Gravy was a delicious bonus. Pasta was when you have pasta, you won't be surprised. Altogether, not bad. My expectation was for a crispy chicken like shell on the outside and a little dryer on the inside. Several people inside enjoy their meals, so Din-in is available. The The Broaster House in Woonsocket serves various **fine seafood meals**, In the morning they serve a *tasty breakfast* here. Also, international cuisines are a part of the cuisine of the The Broaster House, and you can indulge in delicious American meals like **Burger or Barbecue**.
