Amazing! The vegetarian options are soo flavorful. Just the broth alone is delicious. I've tried both the vegetarian curry ramen and Buddha ramen. Both 10/10. I've been to the downtown Brooklyn location as well, and I'm so impressed how spot on the taste was. Both places have the same quality taste, service and exceptional ramen! 100% recommend. Decent spot but not one worth going out of the way for. The ramen was really good but not the best I've had and the dumplings were lackluster. They also did not have any [sushi](#) on a Saturday night. It wouldn't be a big deal if they didn't have [sushi](#) coming before ramen on their sign. 3/5 experience and probably will not return.
