The restaurant from Arlington offers **361** different dishes and drinks on [the menu](#) at an average price of \$14.0.

What [Cody Evans](#) likes about China Express:

Had to review because I ordered.. than checked the reviews and was horrified. As my food was on its way via DoorDash I was sweating bullets reading reviews of old and reused ingredients, missed orders, and bad staff. Well my order came in 30 mins it was all extremely fresh and flavorful and piping hot order was accurate as well.

Would recommend based on this experience 9/2/2019 for sure [read more](#). What [kathryn latham](#) doesn't like about China Express:

I ordered from Door Dash and the delivery was awesome, so I didn't interact with anyone from the restaurant. However, the food was terrible. Worst fried dumplings and sesame chicken I've ever had. The dumplings were tough and dried out, I suspect the food was old and just reheated. [read more](#). Get excited in China Express from Arlington for *versatile, delicious Chinese cuisine* that's authentically cooked in a wok, Besides, the inventive blend of different menus with new and partially adventurous products is appreciated by the customers - a good case of Asian Fusion. **The preparation of the menus is done typically Asian.**
