The Card of Francescos Trattoria from East Islip includes about 206 different menus and drinks. On average, you pay for a dish / drink about \$16.6. What [User](#) likes about Francescos Trattoria:

We just had a baby shower there, Frank and his staff did a fantastic job. The food was excellent Annie our waitress has taken care of everyone We recommend this restaurant for dinner or any occasion You are a real family-oriented restaurant Caroline Macri [read more](#). What [User](#) doesn't like about Francescos Trattoria: 2 stars bc we did actually eat. Overall it's really 1 star. Just don't go. Service lacks. Pretty much ignored when as items arrived or when the server would come remotely close to the table. We had to stop the server from running away anytime. The garlic knots arrived unexpectedly yet these were the best part. Water came immediately yet we didn't place a drink order. Great. However, I'm don't take ice in my drinks. These are small cups so refills would be needed. Only 3 refills and each took over 10mins to do. Ordered a [pizza](#) off the carryout menus as it's not on the main menu. When it arrived hot, looking yummy, ready for a bite, and the crust is burnt. Very burnt disappointing. In Francescos Trattoria, a restaurant with Italian dishes from East Islip, *typical Italian cuisine*, with main courses such as [pizza and pasta](#), is available to you, You shouldn't miss the opportunity to try the crispy and crunchy [pizza](#), baked fresh in an original manner. Also, they serve you tasty seafood menus.
