What [User](#) likes about Tako Sushi:

For the facility: My partner and I are vegetarian. We rarely eat non-vegan sushi spots because there are great vegan sushi restaurants. But when we saw that they had Avocado castors for 3.99, we had to check it! They even gave us the opportunity to add mushrooms to our reels! I definitely recommend adding the cucumbers avocado roll with mushroom! [read more](#). In pleasant weather you can even eat in the outdoor area. What [User](#)

doesn't like about Tako Sushi:

Popcorn bite chicken is not Karaage. It is soft fried mass. I don't know what is this. I really don't like this. Where is my chicken meat? Most of fries are flour. California roll was good. [read more](#). For customers of the restaurant, the **catering service** is also available, tasty vegetarian dishes are also on the menu available. The delicious Sushi such as Nigiri and Inside-Out however, is the undisputed highlight of this restaurant, and a lot of fresh vegetables, fish and meat are used to prepare *easily digestible Japanese meals*.
