What [User](#) doesn't like about Verde Cocina En La Perla:

It was my first visit. The restaurant's gluten free and vegan options make it a place where anyone can feel comfortable with what they are eating. The person who greeted us was very friendly. If you are looking for a welcoming neighborhood restaurant in the Pearl you will be happy, but it's healthy [Mexican](#) inspired food (bland), not authentic Mexican flavor, so know that going in. I recommend it, but I don't know tha... [read more](#). In case you're craving some **seasoned South American cuisine**, you're in the right place: delicious menus, cooked with **fish, seafood, and meat**, but also corn, beans, and potatoes are in the menu, Many visitors are especially looking forward to the *diverse, delectable* [Mexican](#) cuisine. Ultimately, the restaurant presents a assortment of appetizing menus, which are definitely worth a try, Here, the barbecue is freshly prepared on an open flame.
