The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physiological limitations, Depending on the weather conditions, you can also sit outside and be served. If you're hungry some *hot South American gastronomy*, you're in the right place: delicious dishes, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, and you have the opportunity to try delicious American menus like Burger or Barbecue. You have the option to, after the meal (or during it), still relax at the bar with an alcoholic or non-alcoholic drink, In addition, the **charming desserts** of the restaurant shine not only on children's plates or in the eyes of the little guests.
