If you're hungry some hot South American gastronomy, you're in the right place: exquisite menus, made with *fish, sea creatures, and meat*, but also corn, beans, and potatoes are on the menu, The customers of the restaurant also appreciate the large selection of differing **coffee and tea specialities** that the restaurant has to offer. The customers also appreciate the **versatile, delicious Mexican cuisine**, whose traditional dishes are prepared with corn, beans and spicy chilies, With the bite-sized, Tapas, you can't do anything wrong, particularly because there is something for all tastes.
