If you're hungry some **spicy South American gastronomy**, you're in the right place: tasty dishes, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu. Here, the meat is freshly **cooked** on an open flame. Most often, the burgers of this place, which are among the highlights, are offered along with sides like fries, salads or wedges. Also, the drinks menu at this place is exceptional and offers a significant and varied selection of both local and international beers, which are definitely worth a try.
