Service here is really not good. Have been multiple times and go back because it is in the neighborhood and food is good, but really lousy service. This time waitress dropped the bill and basically never came back. Had to flag down a busboy to pay the check [read more](#). In nice weather you can even eat in the outdoor area. What

[User](#) doesn't like about Permanently Closed Great Northern:

Server was awful, food was marginal (but came out wrong Server couldn't tell us when our food would be ready (burger and rotisserie chicken), because "I'm not the chef", after we'd already been waiting minutes. Then he rudely instigated a fight with us and left, never to return. We will never return to Great Northern as well [read more](#). If you're hungry some **spicy South American gastronomy**, you're in the right place: delightful menus, roasted with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, and you have the opportunity to try delicious American dishes like **Burger or Barbecue**.
