The place from San Jose offers 52 different **menus and drinks on [the menu](#)** at an average \$11.9. What [User](#) likes about Yuri Japanese:

I've been coming here since i was a child so my review might be biased since my taste with japanese food is obviously influenced by them. I think they had great food here. the portions and quality is good. I love the spider rolls (aka soft shell crab roll) here they make it just right (for me). Some other places leave out the avocado or carrot or sprout or cucumber but they put all of that in there to give it the bal... [read more](#). With a large selection of freshly harvested vegetables, fish and meat, the Yuri Japanese from San Jose prepares easy-to-digest, tasty Japanese dishes, The successful fusion of different menus with fresh and partially daring ingredients is highly valued by the guests - a nice example of Asian Fusion. Furthermore, you'll find fine American menus, like for instance **burgers and grilled meat** on the menu, You can also discover scrumptious South American dishes on the menu.
