What [User](#) likes about Eathai:

Incredibly and indisputably the best place for my favorite pad Thai addiction, literally only heavenly in any way, .. tasty meat, noodles were not all glued together like a dry industry mop, spiced just right and you can taste the whole meal with any other bite... Great part. [read more](#). The diner is accessible and can therefore also be used

with a wheelchair or physical limitations. What [Sirisha P](#) doesn't like about Eathai:

The worst Thai food I have ever eaten. I ordered red curry and pineapple fried rice. Red curry was just OK and pineapples in the fried rice were so bland. Don't know how can a pineapple be so bland. Never going back again. This is my second time experience with this restaurant [read more](#). With delicious menus, Eathai from Pleasanton delights, enriched with the famous spices and (fish-)sauces of the Thai cuisine and a bunch of fresh vegetables, seafood and meat, Besides, the creative blend of different dishes with new and sometimes adventurous ingredients is appreciated by the visitors - a beautiful case of Asian Fusion. Not to be left out is the comprehensive selection of coffee and tea specialties in this restaurant, on the daily specials there are also a lot of *Asian menus*.
