Very delicious and much nicer than I would have expected from a corner bar. The place also has a pool table and games area. [read more](#). The restaurant offers free WLAN for its customers. What [User](#) doesn't like about Port of Call:

although the food was adequate (I was there for the Tuesday evening shrimp special) the service was extremely S-L-O-W. If you're craving some zesty South American cuisine, you've come to the right place: exquisite dishes, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu, and you can indulge in scrumptious American meals like **Burger or Barbecue**. Sometimes you may not want to eat a lot, in this case one of the tasty **sandwiches**, a small salad or another snack is just right, and you may look forward to the tasty classic seafood cuisine.
