The place from Benicia offers *81* different **dishes and drinks** on [the card](#) at an average price of \$15.5. What [User](#) likes about Huckleberry's:

I can't believe I always came by this place without trying. The food is great! The portions are generous and the homemade country flavors are warm and delicious. It may not be the healthiest place to eat every day, but I don't think that was their goal. Although there are some healthy things on their menu. Children will also absolutely love all plucked cream sprinkles and fruit and color on their delicious waffles pa... [read more](#). The place also offers the possibility to sit outside and eat in beautiful weather. What [User](#) doesn't like about Huckleberry's:

The food was horrible. My green fried tomatoes were cold; potathe were mushy, bacon was overly burnt and my toast tasted stale- which is odd. Ive ordered from herebefore and never experienced this so I was pretty disappointed. [read more](#). At Huckleberry's in Benicia, there are scrumptious sandwiches, healthy salads and further snacks for quick hunger, as well as cold and hot beverages, Of course, you also have to try the **fine burgers**, that come with sides like fries, salads, or wedges offered.
