What [User](#) likes about Spice Xing:

Wonderful experience. Sat outside, quiet, charming. Good cocktail list, best mojito in a long time. Nice simple menu, easy ordering, very well presented. We didn't have wine, but the list was decent and very reasonably priced. Waiter very patient, knowledgeable, helpful. Would dine here again [read more](#). What [User](#) doesn't like about Spice Xing:

We ate out doors and as a result, it was noisier than it would have been inside. Trucks, backup beepers, fire engines, etc. Not the restaurant's fault but be prepared if you choose to eat outdoors. The chicken korma was delicious and the lunch portions were way more than adequate as well as a real bargain. [read more](#). Spice Xing from Rockville is a good place for a bar to a cocktail after work and be able to sit with friends or alone, With original **Indian spices**, dishes are fine and freshly prepared.
