The place from Lodi offers **54** different *dishes and drinks* on [the menu](#) at an average \$7.1. What [Maria S](#) likes about Vitamia Sons Ravioli:

All types of Italian foods hot and cold. They are known for their fresh pasta and they distribute all over to supermarkets. Their red sauce's are absolutely the best! [read more](#). What [Nancy Jean Schempp](#) doesn't like about Vitamia Sons Ravioli:

1/24/23 I picked up a stuffed artichoke, they charged 12.50. It must have had 1/2 of a container of dry breadcrumbs, no sauce, garlic, butter no flavor. I heated it for 4 minutes as suggested, it was not even cooked through. The leaves would not come off, the heart was hard, I had to throw the whole thing in the trash. Definitely gone down hill. The restaurant also offers its visitors a **catering service**.
