The Card of Sakana Bistro from Manteca contains about 212 different dishes and drinks. On average, you pay for a dish / drink about \$11.4. What [K](#) likes about Sakana Bistro:

The food was okay. I wouldn't visit a second time. We got the garlic edamame which had good flavor, but was very greasy. The [sushi](#) was decent. Also got the ramen which was very, very bland. I didn't end up finishing it. It took a fairly long time for the food to come out and when it did, a member of my party received theirs about 20 minutes prior to myself and other member receiving ours. [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physical disabilities. What [Julie Sullivan](#) doesn't like about Sakana Bistro:

my husband and I both got sick after eating here. spicy tuna roll smelled a little fishy. I spent \$12 on a roll I didn't eat. they also charged for ice tea refills. I have never heard of that. After looking at the bill, we were charged \$10 for ice tea, and it tasted awful like they used tap water from bad pipes. won't be going back. [read more](#). For guests of the restaurant, the **catering service** is also available, and easily digestible Japanese meals are being made with lots of fresh vegetables, fish and meat. Undoubtedly, the highlight of this establishment is the delicious [Sushi](#) such as **Maki and Te-Maki**, Also, the atmosphere is of course significant, so the visitors appreciate not only the scrumptious meals, but also the bistro as such love.
