What [User](#) likes about Bartlett Hall:

It's a good place for casual dining, food was good and it was value-priced. The only downside was we were seated adjacent to a very loud table. There were many other tables available, so we should have asked to be moved, so that's on us, not the restaurant. I'd go back again. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, Depending on the weather conditions, you can also sit outside and eat and drink. WLAN is available at no extra cost. What [User](#) doesn't like about Bartlett Hall:

There were only people inside, wonder why!!! Ended up finding a local up beat bar, had a blast! [read more](#).
