The restaurant from Phoenix offers 20 different **dishes and drinks on [the card](#)** at an average \$10.5. What [User](#) likes about Thai Ai Ai:

I don't like spicy food, but they have a lot of options. The services were little slow when we went with 9 p and there was only one server... But the food was great for me. But the people who ordered items with onion in them, there were too many in them and quite raw... [read more](#). Thai Ai Ai from Phoenix cooks fine dishes with the **Thai culinary famous spices and (fish-)sauces**, along with loads of freshly harvested vegetables, seafood and meat, there are also delectable [vegetarian](#) recipes on the menu. The *menus are prepared typically Asian*, Furthermore, the customers love the creative combination of different dishes with new and partially experimental ingredients - a nice example of successful Asian Fusion.
