What [User](#) likes about Mount Everest:

We were very pleased with the food and service at Mt. Everest. We decided to go there based on the 1000 point table, however 3 days later I have yet to see the points credited to my Open Table account, despite calling them about the matter. Make sure you specify you made your reservation via OT when you arrive. [read more](#). What

[User](#) doesn't like about Mount Everest:

The whole meal was okay. At the time of our reservation there were only two more tables. My guest and I sat right away. The hostess did not ask us for a cocktail order. The owner came to the table to take our order. Only then did we put our order for drinks. The only criticism. I ordered a lamb dish and revived a chicken dish. [read more](#).
