What [User](#) likes about Tupelo Grille:

Excellent experience last night in Tupelo. From the minute we entered and sat until the last bites sips everything was fantastic. We both had the specials that were cooked for perfection. Our server along with the rest of the staff was very on it and we were never looking for anything. We'll be back! [read more](#). What [User](#) doesn't like about Tupelo Grille:

We sat in a prime location, a table for two by the window, and enjoyed the warm atmosphere. Our meals were both delicious, great flavor, and something different that we would not make at home. A great way to make a birthday dinner and night out feel special. [read more](#). If you're craving for some **fiery South American culinary arts**, this is the place to be: exquisite menus, prepared with **fish, seafood delicacies, and meat**, but also *corn, beans, and potatoes* are in the menu, You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. Furthermore, you'll find tasty American menus, like for instance burgers and grilled meat on the menu.
