The Card of The Broken Cage from Denver contains about **66** different dishes and drinks. On average, you pay for a dish / drink about \$9.0. What [JonathanE](#) likes about The Broken Cage:

This is a cross between a swanky cocktail bar and a great neighborhood bar. Just the right vibe, decent options for spirits (especially bourbon), and friendly staff (particularly Dre). I'd like to recommend this to everyone, but selfishly do not want it to become over popular lol. [read more](#). The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physical disabilities. What [Mike Dociu](#) doesn't like about The Broken Cage:

This is basically a cocktail bar with some small plates. The plants and decor make it interesting and the cocktails are good. We had issues with the QR code menus and the waitress was not very familiar with the menu. [read more](#). If you're hungry some *hot South American gastronomy*, you're in the right place: tasty dishes, made with fish, sea creatures, and meat, but also **corn, beans, and potatoes** are on the menu, and you can indulge in delicious American dishes like Burger or Barbecue. Of course, the right drink with a meal can be crucial; this gastropub serves a wide range of delicious and local alcoholic beverages like beer or wine, At the bar, you can unwind with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
