We were looking for authentic cooking off Hollywood Blvd and away from fast-food offerings there....and lucked out! Highly recommended for friendly service and well prepared Mediterranean/Persian foods. [read more](#). You can use the WLAN of the establishment free of charge. What User doesn't like about Sultani:

The portions were generous, however the food was not very good. I had the beef and it was pretty much inedible. The rice and the salad were fine. The service was great, the gentleman working was very friendly. [read more](#). The establishment also offers its visitors a *catering service*, Furthermore, the **light and healthy meals** in the specialty list are among the favorites of the customers. For those for whom this is not enough, to persuade themselves to visit the Sultani, the smell of fresh flatbread or the tasty, sticky sweetness that fresh baklava promises might help - the Middle East is surely closer than one thinks, well digestible Mediterranean courses are also available.
