[The Card](#) of Tildio Winery from Manson includes about **32** different meals and drinks. On average, you pay for a dish / drink about \$40.4. What [User](#) likes about Tildio Winery:

Wonderful wine tasting. Very attentive server; knowledgeable about all the wines. Reasonable price for sampling five wines, although fee is waived if you buy a bottle. Only disappointment was lack of food offerings. They only have a small cooler with a few cheeses and crackers for purchase. [read more](#). The diner and its premises are wheelchair accessible and thus reachable with a wheelchair or physical limitations. What [User](#) doesn't like about Tildio Winery:

We had a reservation at 5:45, but they close at 6. They did not let us taste our flight. They should not allow reservations at that time if it doesn't work for their schedule. Wine we did taste was good but higher price point than similar varietals. [read more](#). Tildio Winery from [Manson](#) is a good place for a bar to a **cocktail after work** and be able to hang out with friends.
