The Card of Friendly's from [Newark](#) contains about **105** different meals and drinks. On average, you pay for a dish / drink about \$13.8. What [User](#) doesn't like about Friendly's: the majority of my order was missing, the rider and the two-rings were soggy, and the chicken pliers taste like fat and were hard as a rock. it was an absolute catastrophe, in any case will no longer be ordered online by this restaurant! [read more](#). If you're desiring some **zesty South American cuisine**, you've come to the right place: delightful menus, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu, and you can try scrumptious American dishes like [Burger](#) or [Barbecue](#).
