Ihop:

This used to be a great place to sit down with friends, family or just in general but things have changed for the worst. Unprofessional staff, pancake batter mixed into the omelet mix and higher prices has made this place a not so desirable destination. [read more](#). If you're hungry for some **fiery South American culinary arts**, this is the place to be: delightful dishes, prepared with **fish, seafood delicacies, and meat**, but also corn, beans, and potatoes are on the menu. Besides the delicious sandwiches, small salads and other snacks also make a good snack. In addition, there are fine American dishes, such as burgers and grilled meat. Also, the customers of the establishment love the large selection of various coffee and tea specialities that the establishment has to offer.
