What [Lelouch L](#) likes about Teapot: Literally one of my favorites. For this side of the bay its solid! You'll really only get better in places like san jose etc. This place doesn't make things over sweet, you will always taste the tea underneath. If you are not in to that, you wont like it. They use very few syrups and artificial flavors. The food is tasty and well cooked. The reviews may be very divisive but try it for yourself then make your opinion.... [read more](#). What [Myna H](#) doesn't like about Teapot:

I ordered through door dash at this place twice and it a hit/miss. The first time I ordered the Jasmine milk tea is unbelievably yummy. Very light taste and mild when it's cool. The second is ehh, I ordered the same but instead they forgot the milk and it's taste very bitter like dark chocolate. I ended up throwing all away, sadge. :c Note: I wish they pay close attention to mobile order more so a lazy person like me... [read more](#). With the large diversity of coffee and tea specialties, a visit to Teapot becomes even more attractive, Among the guests, especially flavorful juices are highly sought after.
