What [User](#) doesn't like about Pancitos Tuttis Peruvian Bakery:

3.5 rating. Sunday. Arrived for a late sit down lunch. We had a friendly female waitress to start. Being the only party of three I would have expected the food to come quick. Close to 40 minutes. Our drinks didn't come until we asked the male waiter and that was 50 minutes after sitting down. Never saw the female waitress again. The food was ok. I was a bit disappointed by the tacu tacu de la pobre. It was \$18.99 without meat. \$5 more for meat! Yet bistec a la pobre was \$15.99???????? Doesn't make sense. Not a good buy. I will try breakfast here but not sure about lunch. The bakery on the other hand was very nice. You decide.
